Increasing Diversity by Increasing Access to Legal Education (IDIA) is a non-profit organization working in India which aims to empower underprivileged children by providing them with equal access to quality legal education. It is a student-run organization that aims to train underprivileged students and transform them into leading lawyers and community advocates. We conduct sensitizations across India to spread awareness among underprivileged children about opportunities in pursuing law as a career, select promising students and provide training for law entrance examinations, including the Common Law Admission Test (CLAT), provide financial aid and mentorship to these students once they secure their admission to a leading law school.

IDIA - Kerala Chapter functions from its base at The National University of Advanced Legal Studies (NUALS), Kochi, which is the only National Law University in Kerala. The Kerala Chapter is run entirely by student volunteers from NUALS, with an aim to help underprivileged students in the state.

## **THE EVENT**

An LLM from a NLU can be a game changer in your career. However, the CLAT PG and AILET PG entrance exams are competitive. It is important to have a focussed and systematic preparation for the exams. Important areas relating to law must be clearly understood by the aspirants. Starting your preparation early and following the right method of studying will go a long way in helping you crack these exams.

IDIA Kerala Chapter is conducting a workshop where we will be discussing the opportunities that open up after a LLM from a NLU, pattern of CLAT PG and AILET PG, preparation strategies, tips and tricks, and recommendations for materials by our resource persons. To lead the talk, we have Krithika Singh and Dhanya Prasad, who have cracked these exams with top ranks. We will also have a Q&A session at the end of workshop where participants can get clarification.

The workshop is scheduled to be held on **18th December, Saturday** from **7PM to 8:30PM**
